PATIENT INSTRUCTIONS

Adult and Pediatric Echo: No preparation required

Stress Echo and Stress Test:

Stop blood pressure medicine 48 hours before the test (only The Medicine Ending "LOL"

For Example "Atenolol, Bisoprolol Etc")

Wear Comfortable clothing and shoes. Do not apply body cream, lotion or oil to your body.

Bring all your medications with you. If you use a puffer, please bring it with you.

ECG & Holter: Do not apply body lotion or cream.

You will be able to drive home after tests.

Do not consume caffeinated food and drinks four hours prior to testing.
